Year-To-Year Budget Notes

Aiton's initial formula allocation is \$4,053,652. This is an increase of \$250,090 compared to last year. School budgets are primarily driven by two key factors: enrollment and unique student need. In SY19-20, Aiton's projected enrollment was 244. For SY20-21, their projected enrollment is 222, a decrease of 22 students. At the same time, due to an increase in the number of students receiving special education services with more intensive needs, Aiton requires 1 additional self-contained special education classroom, resulting in an increased allocation of staff members and overall special education allocation.
