Year-To-Year Budget Notes

Hardy's initial formula allocation is \$6,532,708. This is an increase of \$220,317 compared to last year. School budgets are primarily driven by two key factors: enrollment and unique student need. In SY19-20, Hardy's projected enrollment was 482. For SY20-21, their projected enrollment is 505, an increase of 23 students. At the same time, due to an increase in the number of students receiving special education services with less intensive needs, Hardy requires an increase in the number of special education staff members, resulting in an increased special education allocation.
